## Pay your rent with cash at CVS Pharmacy, 7-Eleven, and more

Skip a trip to the leasing office and pay your rent using PayNearMe at the nearest CVS Pharmacy, 7-Eleven, ACE Cash Express, or Casey's General Store.

### How it works

- 1 Your property manager gives you a PayNearMe payment code (PayCode) via email, text, printout, or resident portal account (if available).
- 2 Go to any participating store, show the cashier your PayCode, and pay your rent with cash (a \$3.99 processing fee will apply).
- 3 Collect your receipt. Your property manager is notified of your payment within 20 minutes.
